FALL SPORTS

2018

Students planning to participate in cheer, dance or a sport during the 2018-19 school year must have a physical and head injury/heat illness form turned in to the office before the first day of practice. The physical and head injury/heat illness forms are available online at www.usd234.org. Click onto the high school and then athletics. You may also pick up the forms in the office.

In order to compete in 2018-19 sports, physicals must be given **AFTER** May 1, 2018. Students will complete the first page and last page of the physical. Parents and students need to sign both the front and back of the physical form. The doctor will complete, sign and date the second page.

The head injury form is to be read by both parent and student and signed by both.

Turn forms in to Mrs. Leaming in the office. Turning forms in as soon as the physical is completed will ensure your student's participation on the first day of practice.

Mercy will give sports physicals for \$10 on May 2 from 4:30-6:30. No appointments are necessary. The monies received will be returned to the FSHS sports program.

Fort Scott High School Thespians Selected to Perform at Festival Fringe in Scotland

The Fort Scott High School Theatre Department, under the direction of FSHS Thespians Director Angie Bin, has been selected to perform at the Edinburgh Fringe Festival, the world's largest and most prestigious arts festival, as part of the American High School Theatre Festival (AHSTF).

Each August, Edinburgh, Scotland becomes the most magical and exciting place on earth as performing artists from all over the world take part in the Edinburgh Fringe Festival. The whole city becomes a stage and visitors can view performances everywhere from playgrounds to conference rooms, from city parks to churches. The Fringe Festival includes over 3,000 different performances of music, theatre, dance, and comedy during its three-week run. Fort Scott High School's performance will be showcased as a part of AHSTF in the summer of 2019.

Fort Scott High School, recognized for its entertaining and innovative productions, was selected by the AHSTF Board of Advisors, made up of college theatre professionals, to represent our community as part of the 2018 AHSTF program. The Board reviews all completed applications and identifies the top high schools based on their most recent bodies of work, awards, community involvement, philosophies, and recommendations.

While in Scotland, AHSTF's professional Technical Team ensures that the company's lighting, sound, and property needs are addressed. WorldStrides, the nation's oldest and largest student travel company, will be making the travel arrangements for each high school group. The trip includes two days in London, England and ten days in Edinburgh in August of 2019.

Students in Mr. Regan's Advanced Placement U.S. History class and Mrs. Campbell's Honors Constitution classes participated in the Life on the Frontier program at the Fort Scott National Historic Site on April 27. The students presented information to approximately 500 southeast Kansas grade school students to acquaint them with life in Fort Scott in the 1840's.

Reminder to Seniors:

Reminder that seniors must have all fees paid, textbooks and library books turned in, fundraising money turned in, uniforms turned in, and lockers cleaned out before they leave school on Thursday, May 10. Any student owing time must have it made up by Friday, May 11.

Senior march practice will be Tuesday, May 8. Senior Awards Night will be that evening at 7:00. Any senior receiving outside college scholarships or awards that they would like announced that evening needs to turn in the letter received from those colleges (except for those from Fort Scott Community College) to Mrs. Leaming in the front office by Monday, May 7.
